LAGUNA NIGUEL WOMAN'S CLUB - FEDERATED

PRESIDENT'S MESSAGE

JUNE, JULY &

It's Summer Time! *Sunshine on my mind.*

The warmth of the sun, the extra daylight and the lushness of the landscapes makes all of us very happy. Nature's summer is a season of growth and production in the plant life cycle. Flowers and fruits bring fragrance, beauty, and delicious sweetness. Oh, those summer melons and tomatoes.

It's the time of warmth, slowing down, taking a break from our usual schedules and refreshment in our everyday. I will be doing just that missing our June meeting cruising the coasts of Italy and Croatia with family while visiting our roots in Apulia, Italy. I look forward to seeing you at our summer time events.

Our summer party planning group has a great event planned for Saturday, July 22, 2023. Our summer party is a time for members, spouses, partners and family members to get together socialize and enjoy each other company. More of that slowing down, taking a break, refreshments and maybe some Melon! **Look for more information in this newsletter.**

We just completed our Fundraiser "It's your cup of Tea" for Beta Foster Care. A big thank you to all those who went in to the planning, working, baking, sandwich making, decorating and those who so generously donated their time and effort. It was a huge success and a wonderful team effort. We were all delighted to hear TEALUCKY is naming a tea after our Woman's Group. We will keep you posted as to when it's available on the website. Thank you, Isaia!

We plan to have a representative from Beta Foster Care at our June meeting to share their vision and ensure you know what this organization is doing with your donation.

The summer newsletter is an important one as our calendar will certainly cover several months of activities. June, July and August. So read it thoroughly, print it out if you wish. Watch for reminder eblasts and stay in touch. Joy already has Girl's nights out and Gadabouts trips planned for each month, there will be out to the movies with Marilyn and Out to Lunch Bunch with Jane and her co-sponsors. Culinary Adventures and Gourmet Eating With Friends will meet. There will be Pokeno, Women's History Group, Bunco and Mexican Train and we can't forget Birthday's for our wonderful ladies over the summer. There is plenty of activities for those who choose to stay active. If you are traveling safe travels and we look forward to hearing about your adventures during our delight dollars in September (raising our club funds).

"It's Your Cup of Tea" Fundraiser

Message from Rosemarie:

Teamwork is known to bring people together and was on display at our "It's Your Cup of Tea" fundraiser. Teamwork is that bonding agent that motivates us to rely on one another to get things done. It wouldn't have happened without the amazing women in this club who worked together on invitations, decorations, food creation and preparation, Isaias with TEALUCKY, and every minute detail. This tea was one for the books and will be talked about for months to come! Make sure to attend out June meeting to see our presentation to Beta Foster Care who are the true winners. **We will be giving them a \$3,000 donation!**

ARTS and CULTURE:

ARTS AND CULTURE— Kathy Khalifa

Summer will soon be here, with loads of events planned in and around Orange County. One cultural activity that caught my eye is Alexei Ratmansky's Giselle Ballet, to be performed at Segerstrom Hall from June 29 to July 2nd. The ballet company is from the Ukraine, so it's sure to be brilliant. It's the West Coast premiere of this classic, so should be exciting! We plan on attending, so if you're interested, let me know and possibly arrange an evening together.

Our fundraiser planning meeting was held at my home on May 6th, and nine of us enjoyed a Limoncello Panettone with fruit, cheese and beverages. I shared my ideas of how we can promote the culinary artistic talent of Spanish chef Jose Andres, who founded World Central Kitchen in 2010. He and his team of cooks aid hungry people in disaster zones, beginning with Haiti in 2010, continuing today in the Ukraine, and future-focused to feed hungry people as climate change worsens.

The committee proposes a simple luncheon meal of Koshiary, which is the national dish of Egypt, popular not only for its nutrition but its easy preparation. When my children attended Cairo American College in Cairo, Egypt in the early 90's, this was the school lunch. The dish consists of rice, elbow macaroni, lentils, a special tomato sauce and spices, topped with fried onions and garbanzo beans. The committee will prepare the food, and will use bamboo plates and ecological utensils to serve. We may look for garden roses, other simple decor and sweets from members. The planned venue is The Club at Rancho Niguel. Our plan at this time is to serve at 12:30. Those who have chafing dishes might loan them for the event, as we hope to have a good crowd. Friends and significant others are also welcome.

The date, suggested by our President, Rosemarie, is **September 30**, a Saturday designated as GFWC National Day of Service. The goal is to end hunger by volunteering, donating, or organizing a community service program. We have agreed to a \$25 minimum fee, payable by check to LNWC. If you know that you'll be unavailable on this date, our Treasurer will accept checks at any time before Sept. 30. There will be a signup sheet at the June meeting, and RSVPs will be taken throughout the summer by e-mailing me. More details will be discussed at the June meeting on the 8th. Twenty five dollars is the suggested minimum per person, but you're welcome to give generously to this cause.

- Fundraiser - September 30, 2023 Join us for a simple lunch of KOSHIARY

“FOOD RELIEF IS NOT JUST A MEAL THAT KEEPS HUNGER AWAY. IT'S A PLATE OF HOPE. IT TELLS YOU IN YOUR DARKEST HOUR THAT SOMEONE, SOMEWHERE CARES ABOUT YOU.”

Jose Andres, founder of World Central Kitchen

ARTS and CULTURE:

There will be a possible change in the Art Contest for Spring, 2024, as the number of high school students who attend the ceremony has dwindled in recent years. Two middle schools serving Laguna Niguel have been approached about partnering with us for participation. The grant submission for money from the City of Laguna Niguel is due in August, so you'll hear more about our judged art contest in the near future. In past years, the city has granted \$3,000 for the project.

Angela Brown, art teacher at Aliso Niguel High School shared that she does art classes for adults once a month. She chooses a topic or style, and attendees follow her suggestions. When she was contacted for information about programs for this summer, she informed me that she will be traveling during this time, but will offer one tentatively in September or October. To participate, the suggested donation is a gift card of \$20 or more to Target or Starbucks per person. She supplies everything, including tea and snacks. The time is 3:30-5 PM on the second Friday of the month. Any additional information, I'll pass on to you.

Thanks for your support of all of our LNWC projects.

WOMEN OF THE MONTH:

Our next Women of the Month is someone who has made service a big part of her life. She was really touched by people helping her and her husband during a tragic circumstance in her daughter's life and because of that wants to help others and repay the gift. As she says, "We need to help each other."

Our WOTM grew up in Upstate New York where her family name was honored with a street name after her grand - father who helped survey the City of Utica. Her father worked in manufacturing and her mother was such a fast data processor that they used to stick a clock next to her and video her to prove how fast she could enter data.

Our WOTM was born in Herkimer, New York and has 1 older sister and 1 younger brother. She earned an Associates degree from Mohawk Community College and then earned her BA in Business Administration, with a specialty in Accounting from SUNY- at Brockport. She met her husband on a college ski trip. He scoped her out and decided to meet her at the Chair lift. They ended up sharing a meal at the ski lodge. It would take a little bit of time before they would start dating, but they both ended up developing a friendship at a Catskills summer Camp and would start dating from there on out. They got married in 1988.

During high school she won 3 beauty pageants, including winning a local competition that would send her to Ms. New York State Teenager. She played the clarinet in high school and was also the high school's drum majorette!

She moved to Laguna Niguel in 1990, they have a son who is 30 and married living in Lake Forest and her daughter is 28.

When their daughter was just 4 years old she was diagnosed with Leukemia- she would go through 2.5 years of treatment and is now cured. After receiving a wish from Make a Wish Foundation, her daughter would become a Make a Wish Ambassador.

In 1995 our WOTM started working at the IRS- she Started in Facilities Management for about 8 years, then she worked 17 years as an Internal Revenue Agent where she audited individuals and businesses with assets less than \$10M. Two years ago she had the opportunity to be a Public Affairs Specialist with the IRS and that is what she does now.

Our WOTM loves to serve. She served as her daughter's GS Leader for 12 years. (she was a Girl Scout herself). She became the GS representative to the LN Parade. She was the service unit manager for Laguna Niguel, she then moved on to Association Chair for Laguna Niguel and Aliso Viejo. For 15 years she was the Day Camp Director/Business Manager for the GS Day camps at LN Regional Park. Between campers and volunteers it was 500 people gathering for a week. She has traveled to both Switzerland, Paris and Italy with the Girl Scouts. She is still involved as the MC for the International Food Fair and is the Gold Award Advisor and in charge of all Fall Product Sales in Laguna Beach. In 2020, she received the highest honor a volunteer can receive in the Girl Scouts organization: the "Thanks" Badge.

She still volunteers for the Taste of Aliso Niguel, even though her kids graduated years ago. She has been a Sunday school teacher as a youth & adult, and she is a hospitality minister at St. Tim's Catholic Church, she serves on the LNWC Board as CoChair of Ways and Means. She is also recipient of the One OC Award in 2020 for her spirit of volunteerism in the community.

Her favorite band is "Boston", Favorite Show "Survivor" or "Amazing Race", Favorite Movie "Little Princess and "A Wonderful Life" And her favorite quote: "You get more with sugar and honey than salt and vinegar."
